### **The Brumby Chair Company of Marietta appoints fourth generation Brumby officers**

Marietta, GA, April 1, 2014 – The Brumby Chair Company of Marietta announced today that the company has named Anna P. Brumby as CEO and President and Spain Brumby Gregory as Chief Operating Officer and Secretary of the historic company founded in 1875. Succeeding former President and CEO Otis A. Brumby, Jr., his oldest and youngest daughters are fourth generation Brumby family members and first female executives to manage the company.

Prior to joining The Brumby Chair Company, Brumby spent a decade doing business development, product development, sales and marketing domestically and internationally for Columbus, Georgia, based Total Systems Services, Inc. (TSYS). During her time at TSYS, she was also a frequent contributor to industry articles, financial services white papers and spoke at international conferences on behalf of the company. Brumby received her undergraduate degree from Presbyterian College and her MBA from University of Georgia, Terry School of Business.

Prior to becoming COO, Spain Brumby Gregory served as General Manager to The Brumby Chair Company managing day-to-day operations of the business, including all vendors and employees at the shop on the Historic Marietta Square. Gregory was also instrumental in participating in marketing campaigns and sales strategies for over a decade; in addition to, serving as company spokesman. Gregory received her undergraduate degree from Washington and Lee University with a focus in Broadcast Journalism.

“We are excited with the opportunity to continue this wonderful family tradition that has long been part of the city of Marietta and the south,” said Anna Brumby, president of The Brumby Chair Company. “We look forward to many exciting new opportunities of growth for the heirloom Brumby® Jumbo Rocker that has become a legacy of families around the world.”

### **About The Brumby Chair Company**

The Brumby Chair Company is a family owned and operated Georgia based company that has been producing southern made, luxury rocking chairs since 1875. Located in Marietta, Georgia, the company’s signature product, the Brumby® Jumbo Rocker, has adorned American porches of large antebellum homes, sprawling verandas of luxury resorts, and The Truman Balcony of the White House for over a century. All Brumby Chair Company products are made of solid Appalachian Red Oak with the same care of the 19<sup>th</sup> century specifications and carry the original seal of The Brumby Chair Company. Brumby® Rockers can be found at world class resorts across the United States in addition to homes around the globe. Brumby Chair Company products are passed down from generation to generation as closely held family heirlooms. A Brumby® Rocker is more than a rocking chair, it’s a legacy.
